Dear Wayne:

I received your letter relative to the sediment pond stability and have forwarded it to our consultant. However, I may need some additional time to reply. I was Elk hunting in Wyoming and only arrived home yesterday, 10/21/84. That is the best excuse I can come up with (I did get an elk so it was worth while).

If you see a problem within another 10 days, please give me a call.

Sincerely,

Mel Coonrod
